EDUCATION AND TRAINING

09/10/2023 – CURRENT Cluj-Napoca, Romania

BACHELOR`S DEGREE Technical University of Cluj-Napoca, Automation and Computer Science

Level in EQF EQF level 6

23/09/2019 – 16/06/2023 Satu Mare, Romania

BACCALAUREATE DEGREE, MAJOR IN MATHEMATICS AND COMPUTER SCIENCE "Ioan Slavici" High School

Level in EQF EQF level 2

SKILLS

ECDL Certificate | Microsoft Office | C++,C | SQL | AutoCad 2D -3D | Matlab/Simulink | teamwork principles | Volunteering skills

PROJECTS

Buck-Converter

Starting with a known inductor value (L), I calculated the values for all remaining components and ordered them. With my professor's guidance, I successfully constructed a functional buck converter. The measured current values closely matched my theoretical calculations

Smart Parking

This project is built around a SQL database. The website allows users to log in as either an administrator or a standard user; depending on their role, they are granted specific permissions. This serves as the foundation for my Bachelor's thesis.

VOLUNTEERING

09/12/2024 – 09/12/2026 Romania

UTCN Ambassador

I was part of a team of students and professors representing the Technical University of Cluj-Napoca. We travel throughout the country to present our faculty to students at schools with specialized profiles, encouraging those with an interest in engineering and technology to join our university.

WORK EXPERIENCE

INTERN – ZOLLNER ELECTRONIK – 13/07/2026 – 21/08/2026 – SATU MARE, ROMANIA

Programmed collaborative robots (Universal Robots) for automated PCB handling.
Designed and 3D printed custom robotic grippers and supports using FreeCAD.
Configured industrial dispensing and laser engraving machines.
Worked with AI-based visual recognition systems for component validation.

LANGUAGE SKILLS

Mother tongue(s): **ROMANIAN**

Other language(s): **GERMAN** | **HUNGARIAN** | **ENGLISH**
